

June 19, 2018

It's summertime in Wisconsin, and the West Allis Radio Amateur Club is currently planning our 47<sup>th</sup> Annual Midwinter Swapfest, to be held on January 5, 2019 at the Waukesha County Expo Arena. The past 2 Swapfests each featured:

- ≈700 attendees
- ARRL (American Radio Relay League) sanction
- Free seminars
- FCC ham radio license exams
- 1900 paper and electronic flyers distributed

This year, we are planning additional items, including:

1. EMCOMM (Emergency Communications) emphasis
2. Activities for school-agers
3. Free admission to Boy Scouts and Girl Scouts in uniform

West Allis Radio Amateur Club, an IRS Section 501(c)(3) educational charitable organization, awards (1) \$2,000 scholarship per year. This Swapfest is our primary fund raiser for the year, and helps us to maintain and grow the scholarship.

Please consider signing up to be a Swapfest event sponsor, whereby your organization would receive name exposure in the following:

- Paper flyers, distributed to attendees at other area swapfests
- Electronic flyers, e-mailed to our list of approximately 800 previous attendees and ham radio organizations
- Sponsor "Thank you" signage at the event

Please see the sponsorship levels and other details in the accompanying sponsorship guidelines.

Send checks with a note regarding specific sponsorship level to our club treasurer at:

W.A.R.A.C. Swapfest  
P.O. Box 1072  
Milwaukee, WI 53201

Thank you for considering this request and offer. If you have any comments, questions, or suggestions, please contact me.

Thank you & Best Regards,

Erwin von der Ehe (WI9EV)
