West Allis Radio Amateur Club, Inc.

www.warac.org

CLUB HISTORY

The West Allis Radio Amateur Club, Inc. (WARAC) was founded in 1954 by hams in West Allis and the southwest suburban areas of Milwaukee.

MEETINGS

Meetings are held on the second Tuesday of each month, at 7:00 pm, at St. Peter's Episcopal Church, 7929 W. Lincoln Avenue, West Allis (handicapped accessible). Regular meetings consist of a program on a topic of interest and short business meeting along with refreshments and comradery rounding out the evening. Meeting announcements and club news are published monthly in *Hamtrix*, the WARAC newsletter, available at www.warac.org.

SCHOLARSHIPS

The WARAC Dave Knaus Memorial Scholarship is awarded annually to students holding an Amateur Radio license and registered with a college, university or technical school in a course of study leading to an Associate or Bachelor degree. Preference is given to Wisconsin residents. This scholarship is administered by the *ARRL Foundation* and application information is available at <http://www.arrl.org/scholarship-descriptions>

The **WARAC Scholarship Fund** was established in 1988 and has awarded over \$50,000 in scholarships since then. Donations by the club and individuals allow the fund to continue providing scholarships. Since WARAC is a IRS 501(c)3 organization, donations to the WARAC Scholarship Fund are tax deductible. Also, equipment donations are gladly accepted. A tax deductible receipt will be provided. Contact the club for more information.

MIDWINTER SWAPFEST

The primary fund raising activity since 1972 is the **Annual Midwinter Swapfest**. Held at the Waukesha County Expo Center, the **Midwinter Swapfest** is known in Wisconsin and surrounding states as a well attended event. Profits from this event help support club activities including the **WARAC Scholarship Fund** and gifts to various Amateur Radio related causes.

WISCONSIN QSO PARTY

The **Wisconsin QSO Party (WIQP)** is an on-the-air operating competition is popular among hams in Wisconsin and across the country. The objective for Wisconsin hams is to contact hams in as

many Wisconsin counties and other states as possible. Amateurs in other states contact as many Wisconsin stations in as many counties as they can. Awards are given to high scoring entrants in several categories. WARAC has sponsored WIQP since 1979.

WORKED ALL WISCONSIN COUNTIES AWARD

In addition, WARAC has begun a new **Worked All Wisconsin Counties** award, available to any Amateur who can show confirmed contacts with an Amateur in each of Wisconsin's 72 counties since 1995. This unique award is available to all Amateur Radio operators worldwide.

OTHER ACTIVITIES

WARAC's club station, W9FK, has participated in ARRL Field Day, a contest related to emergency preparedness, for many years and WARAC is also a Life Member Society of the *Radio Amateur Satellite Corporation (AMSAT)*, supporting Amateur Radio communications satellites.

MEMBERSHIP

Membership in WARAC is open to "all persons of good character with a genuine interest in Amateur Radio." Dues for membership are a modest \$15.00 for Full membership. Family, student and retired discounts are available.
