Award Requirements

The WAWC award certificate will be issued to any individual licensed Amateur Radio Operator who submits a complete WAWC Application Form listing confirmed two-way QSO's with all of Wisconsin's 72 counties. Only QSO's made after 1800Z March 12, 1995 are valid. The WAWC Application Form must be signed by the applicant and verified by one other licensed Amateur who is not related to the applicant. All QSO's are to be from the applicant's QTH.

QSO Validation

A valid QSO is a contact for which the Amateur Operator is able to confirm the time, date mode and address of the contact. This may be done using any of the following methods:

- QSL card
- A Wisconsin QSO Party QSO (since 2014 only)
- Logbook of The World

Validation by online QSL services other than LoTW are not being accepted at this time.

NOTE:

- As the West Allis Amateur Radio Club, Inc is the sponsor of both the WIQP and this award, the database records for the WIQP will be used to confirm the QSO.
- For WIQP contacts, the address information is waived.

Format

Applicant's are encouraged to use the application form provided. The application must show the call, city and county of each station worked, date, mode and band, arranged in alphabetical order by county. Please indicate WIQP claimed QSO's in the last column of the form.

Rights of Sponsor

The sponsor reserves the right to request that QSL's be sent in for inspection if any question is raised regarding confirmed QSO's. Decisions of the sponsor's WAWC Committee are final.
