

Wisconsin QSO Party 2024 Results

Summary

Mother nature did not disappoint. The 2024 WI QSO party had favorable conditions on multiple fronts—propagation, weather, and the number of participants. 532 logs were received compared to 501 last year. Submissions from outside Wisconsin totaled 334, an increase from 296 and in-state submissions amount to 198, a slight decrease from 205 in 2023. The overall increase in log submissions is attributed to entries from outside Wisconsin. Terrestrial weather was excellent across the entire state. Weather plays a significant impact with getting our sparsely populated Northwestern counties activated. Thanks to the Minnesota mobiles for assisting with activating these counties.

Plaque Winners

An additional plaque was added to the QSO party in 2024. The plaque awards now include the Highest DX Score in the QSO Party, sponsored by Scott Jasper, NE9U and Mark Seyffer, KB9S. On behalf of the QSO party team, a big *Thank You* to all the plaque sponsors for making our awards possible.

WIQP 2024

532 logs were received, up 6% over 2023. Wisconsin stations submitted 198 logs, down 3%. Non-Wisconsin stations submitted 334 logs, up 13%.

County Activation

Logs received reported QSOs sent from 69 of Wisconsin's 72 counties. No logs were received from stations operating in Florence, Forest, or Lafayette counties. 70 counties have reports of QSOs logged. Florence and Forest County seem to be absent of any reported QSOs. Once again, all 50 states had QSO activity. Additionally, four DX logs were received representing Germany, Poland, Slovak Republic, and Norway. 101 unique DX call signs were logged overall representing 478 QSO's.

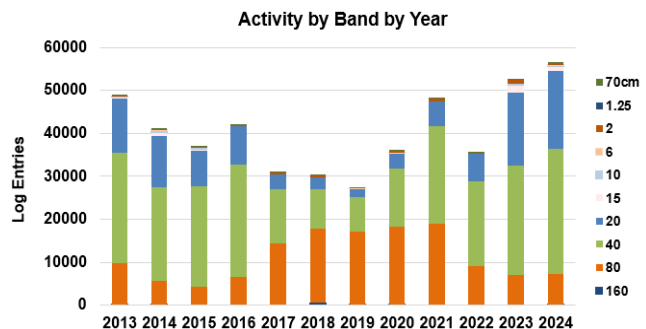

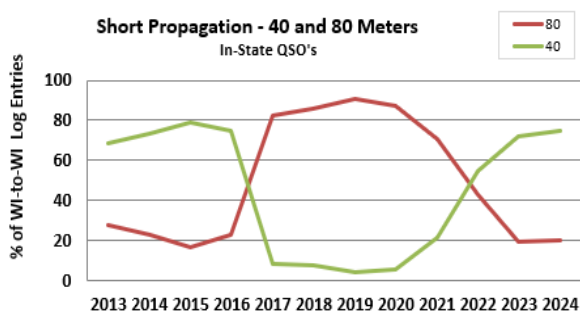

Nineteen counties were activated only by mobiles. This is up by nine compared to 2023. Typically, many Northwestern counties are activated by mobiles only. Last year's poor winter driving conditions in that part of the state led to numerous counties with no coverage. Although we were back to our customary activity this year, we would like to see more hams in the rare counties get on the air. The 19 mobile counties--Ashland, Bayfield, Burnett, Clark, Iron, Jackson, Juneau, Lincoln, Menominee, Monroe, Pepin, Pierce, Polk, Rusk, Sawyer, Taylor, Trempealeau, Washburn, and Waupaca.

Mobiles have characterized the Wisconsin QSO party and continue to make it the event it is today. Thanks to all 25 mobiles for participating this year!

Activity by Band

The in-state propagation on 40 and 80 meters is correlating well with the solar cycle. As we approach the solar maximum, 40 meters outperforms 80 meters. If predictions are correct, cycle 25 should surpass what we saw in cycle 24. With the significant growth in out-of-state participation since 2020 and an approaching solar peak, let's not forget to check 10 and 15 meters for openings.

Category Results

Single Op Rookie (SOR)

Twenty-two Rookie logs were received from Wisconsin stations this year compared to twenty-one last year. Ten Rookie logs were received from outside the state giving us a total of thirty-two Rookies.

Congratulations go out to this year's top Rookie, Bob Worden, KD9RKG operating from Portage County. He made 293 CW QSOs for a score of 54,598.

Single Op Fixed (SOF)

The best score in the Single Operator Fixed category is Steve Dubberstein, K9WO, operating from Columbia County. He logged 170,030 points on 685 total Q's. In second place was Clint Sprott, W9AV, operating from Dane County with 136,108 points and 652 QSOs. Congratulations to Steve and Clint and the 144 in-Wisconsin SOF entries.

Multi-Op Fixed (MOF)

The MOF category had nine entries this year with first place being awarded Bruce Richardson and Janice Hoettels, W9FZ and KA9VVQ operating from Vernon County. They turned in 109,825 points on 529 Q's.

In second place is Kent and Scott Scheuerell, K9ZMU and N9HDE scoring 103,697.5 points on 458 Q's. They operated from Grant County.

Congratulations to both of you and all nine MOF category groups.

Multi-Multi Fixed (MMF)

Three teams entered the MMF category in 2024. The top spot in this category goes to Bob Schmidt's, N9GMT, FM38 Repeater Group operating from Green Lake County. They scored 249,694 points on 958 Q's. The FM38 Repeater Group included Bob Schmidt, N9GMT, Chris Rozman, KD9JAI, Dave Gates, K9DEG, Steve Sundquist, N9FSE, Noah Basting, NI9F, Anthony Casciato Jr., KX3H, and Keith Basting, N9LBO.

Second place in the category was Tom Baden, AC9BJ, Matt Okeson-Harlow, NM9O, and Barry Arneson, K8SD, operating W9S. They scored 127,151 points on 580 Q's from Dane County.

Single-Op Mobile (SOM)

Twenty-five mobiles participated in the Wisconsin QSO party this year, twenty-two SOM, one MOM, and two MMM. The first place SOM was Mark Seyffer, KB9S, with a dominating 187,424 points on 881 Q's operating from 16 counties. Following Mark was Patrick Cain, K0PC, with 180,346 points on 914 Q's operating from 16 counties as well.

Special thanks to the Minnesota mobiles for returning to Wisconsin this year, minus the poor winter driving conditions experienced last year, to again cover the Northwestern counties for us.

Multi-Op Mobile (MOM)

The WO9B team turned in a strong score of 168,112 points on 704 Q's. The crew included Mike Johnson, WO9B, Michael Falk, AA9RK, and Frank Humpal, KA9FZR and operated from 16 counties.

Multi-Multi Mobile (MMM)

Dave White, KZ9V and Michael Martens, KB9VBR operated MMM from 5 Northwestern Wisconsin counties using the call sign K9M. They completed 977 Q's for 168,224 points, winning first place.

Second place was secured by the Northeast Wisconsin Amateur Radio Club, K9TIT. The K9TIT team included Tim Hale, KC9FSH and Andrew Skjoldager, KC9IZF. They made 124 Q's for a score of 13,300 points in 8 counties.

Top Non-Wisconsin Single-Op

David Pritchard, W9QL, from Illinois is this year's out of state winner for the third consecutive year. With 266 Q's and 32,619 points, David placed first in a competitive challenge. In second place was another Illinois operator, Pete Walter, K9PW. Pete came in with a score of 31,218.5 points on 234 Q's and has taken second place for two consecutive years. The logs from outside Wisconsin increased this year, reversing the previous two-year trend. The Wisconsin QSO party enjoys the growth with out of state participants and hopes that the peak solar cycle brings additional operators to the party in 2025.

Top QRP Station

2024 proved to be a successful year for the QRP folks! There were 35 (9 in-state, 26 outside WI) QRP entries this year vs. 37 last year.

In Wisconsin

Rick McGaver, NK9G, was the top QRP station in Wisconsin with 118,444 points on 437 Q's (Milwaukee County). Thomas Russell Murphy, WN1C, was the runner up with 29,554 points on 199 Q's (Dane County).

Non-Wisconsin

Thomas Warren, K3TW took first place for the top QRP station outside Wisconsin with 21,220 points on 127 Q's operating from Florida. Jim Smith, KK0U, had second honors with 19,016 points on 98 Q's operating from Missouri.

Top VHF Station

Forty-one logs had Q's made on 6 meters or above represented by 4 bands, 6 m, 2 m, 1.25 m, and 70 cm. The activity was primarily on two bands, 2 m (422 Q's) and 70 cm (65 Q's) and the Fox Cities Amateur Radio Club is represented by 22 of the 41 logs submitted.

First place is awarded to Joel Kasper, WI4WS, with a VHF score of 941 points from 49 Q's. Brian Long, KB9LRD, came in second with 795 points on 53 Q's.

Club Competition

The Driftless Zone Contesters takes top honors in the club competition this year with an aggregate score of 536,941 points. The team consisted of Mark Seyffer, KB9S, Scott Zastoupil, KX9RT, Steve Dubberstein, K9WO, and Pete Klotzbach, AF9FA.

The second place club is the Minnesota Wireless Association with 465,429.5 points contributed by 7 members operating from within Wisconsin.

W9FK Bonus

The W9FK bonus stations were active on phone and CW this year. Special thanks go out to Phil Gural, W9NAW, and Mike Lawrence, N9UA. Mike's CW station was fixed from Winnebago County and Phil's phone station was a portable operation from Langlade County. A total of 488 Q's were made, 450 on CW and 38 on phone. Thank you, Mike and Phil, for handing out the bonus station points!

Log Submissions

If you haven't been submitting your log, please reconsider. We want your logs!

We are nearly at 100% electronic submission with the three most used programs being N1MM Logger+ (47%), N3FJP (37%), and the WA7BNM Cabrillo Web Form (8%). Reporting the results from over 500 logs with detailed analysis at 6 weeks after the submission deadline would not be possible without your support of electronic log submission. Thank you!

Work All Wisconsin Counties (WAWC) Award

Did you know that the West Allis Radio Amateur Club has an award for working all Wisconsin counties? Participating in the Wisconsin QSO Party is an excellent way to accelerate acquiring the needed QSL's. In fact, the WI QSO Party team will even verify QSL's made during the party. QSL data is available from the 2013 party to the present. For more details see: <http://www.warac.org/wawc/wawc.htm>.

Thank You!

Special thank you to all participants. What makes QSO parties fun is the diversity of operators; serious contesters, casual contesters, and many who get on the air to reach out to old friends and perhaps make some new ones.

We appreciate the clubs who take the time to promote the Wisconsin QSO party and set aside a meeting to discuss and improve contesting skills.

Thanks once again to the mobiles. 2024 saw a significant increase in mobile activity. 25 mobiles this year vs. an average of 10 over the previous five years. Anyone who is interested in going mobile; we can never have too many.

Help Promote WIQP

Participate in the WIQP email group (reflector)

You are encouraged to present your suggestions, ideas and opinions on the WIQP email reflector. This is a great place to exchange ideas. Also, it would be great to get your stories about WIQP-related activities.

Conclusion

Please be sure to mark your calendars for March 9, 2025, for next year's event!

Wisconsin QSO Party Soapbox Comments

Callsign	Soapbox
AC4HI	This QSO party is a blast, like biting into mixed chocalotes, never know what you will find. Thanks for putting on such a great QSO Party !
AC9OT	Played a bit before work and during work. Managed to kill my car battery while trying to get the last bit of QSOs in at work. Lesson learned.
AF9FA	Had a few family interruptions but had a great time while online.
K0RPL	Great Propagation this year!
K2MN	Used two indoor fan dipoles and 80 watts. Score includes 100 bonus points.
K3TW	"Many thanks for another very enjoyable Wisconsin QSO Party."
K9KI	Thank you again for running the WIQSO Party
K9QH	Tried RTTY for an hour on 40 & 20 but nothing so switched to CW. Great Time!
K9TIT	12 or more contacts from: Winnebago, Waushara, Waupaca, Portage, Marathon, Shawano, Brown, Outagamie, Total Mobile Bonus = 4000
K9TY	Lovely WX to QSO party and POTA together! 175 Q's x 1.5 x 59 mults (22 counties, 34 states, 3 provinces) + 500 bonus points (for >12 Q's in ROC)
K9VY	I had a great time! thank you for you service to Amateur Radio. I recorded the entire event, then I went back and entered all of the contacts into the log.
K9WIS	Band conditions for me were horrible, loud signals that could not hear me until after the sunset. An NVIS antenna for next year instead of the vertical.
K9WO	Excellent conditions. My favorite contest of the year. Thanks to all the mobiles for the multipliers
K9ZMU	K9ZMU and N9HDE (operators)
KA0PQW	fun qso party just didn't have as much time this year 73 Matt ka0pqw
KB3KYH	Operated from our cabin on Chute Pond (near Mountain) in Oconto County. Lots of fun!
KB9OFM	That was fun
KB9TBB	12 or more contacts from: Iron, Price, Ashland, Bayfield, Sawyer, Total Mobile Bonus = 2500 Fun as always. I need to refine my strategies though, as the point structure strongly discourages solo SSB roving.
KC9QFH	Please assign my points to W9ZL
KD9TQP	12 or more contacts from: Brown, Total Mobile Bonus = 500
KD9VGV	12 or more contacts from: , Total Mobile Bonus = 500
KE4EA	My first WIQP. Should qualify for Rookie? Option not available in Category or Overlay
KE9TT	Rookie
KF3G	Portable QTH - FM29jw QSO Points: 35 QSOs x 2 Points / CW QSO = 70 Unique Counties Multipliers: 26 Output Power, 50 Watts: 1.5 W9FK Bonus: 100 (70 QSO Pts x 26 Unique Cnty x 1.5 Low Pwr) + 100 = 2830 Points Thank you for the 2024 Wisconsin QSO Party.
KG9JP	W9FK - 200 pts bonus
KI6KGC	Rookie, SOR
KJ9C	Looking for my SMC friends

Wisconsin QSO Party Soapbox Comments

Callsign	Soapbox
KX9RT	Another memorable year, participating in the mobile CW category for the second time. The only frame of reference was last year's snowstorm versus this year's excellent driving weather, with no worries about sliding off the road. For the most part, the preparation went well, and I did some trials a number of days before the contest. During the dry run testing, there were RF interference issues experienced on the USB ports of a new laptop. Luckily, a pound or two of ferrites on the cables fixed the issue for a hiccup-free operation. This year, I don't think I was as nervous managing the pileups, feeling I knew what to expect. There were periods where I was on the receiving end of up to 267 QSOs per hour, or about 5 QSOs per minute. Wow, what a rush and personal best! But there is always room for improvement, and I hope to do better next time. Thank you to my driver Todd, N9NE, for sacrificing operating in the contest, continued mentoring, and focusing on getting me through the course on time. We celebrated the end of the contest with a Point beer and whiskey sour somewhere out in the boondocks of Adams County. Cheers!
N1NN	19TH WISCONSIN STATE QSO PARTY
N6AR	Lots of activity from mobiles- great ops!!
N7WY	FTdx10, alpha 87a, 5 el Yagi on 20 m, 2 el Yagi on 20 m
N8DNA	CERTIFICATE:YES
N8ZSA	40 was open from SE Mich to all of Wisconsin the entire test with very little noise. Tnx for the Q's
N9NAV	12 or more contacts from: Shawano, Outagamie, Winnebago, Fond du Lac, Marquette, Green Lake, Waushara, Portage, Total Mobile Bonus = 4000
N9SD	After my rover driver bowed out this year, I had to scramble to put together something for single op fixed. The day before, one of my radios refused to communicate with N3FJP - so I had to wing doing SO2R. With a 40/20 fan dipole and my 80m doublet, and lots of noise on the 40/20 dipole, I made the best of it. Another fun WQP!
N9WQ	GREAT CONTEST AS USUAL !!
ND0L	My best WIQP so far! Was surprised by the activity on 20m and the seeming lack of activity on 75m. Perhaps a product of the propagation which was fantastic! Thanks for another great contest!
NF7E	MY FIRST W1QP THAT I CAN REMEMBER
NI0K	First time in the WI QP for me. I had fun 100%S&P on SSB. Just a few Qs on 20, but 40 and 80 were my money bands. Pretty good sigs most of the time. QSO parties are really fun generally and working neighbors, especially knowing a lot of WI hams. I worked several hams that obviously were first timers. Hopefully those will enjoy contesting enough to try other contests too.
W0AA	That was fun. Equipment performed flawlessly. Operator and vehicle not so much. Apparently my charging system could not keep up with battery draw, when I was stationary and idle. As it dropped below 13.7 volts, my power out would go from 100 watts down to 50 watts, and eventually shut down the radio. I had to QRX a few times at highway speeds for 10 minutes to recharge. Only major op error was fat-fingering the Clarifier button, so I was unknowingly operating split for a while. Ended the contest at 7 Brothers Bar & Grill in Clayton, WI joining KE0TL and NR0T.
W0BH	$(2*2)+(3*1) = 7 * 1.5$ POWER = $10.5 * 4 = 42$ in 2.0 + BONUS W9FK (0 * 100) = 42 MULTS ONE TIME LOGS DUE IN TWO WEEKS to wiqp-logs@warac.org MOBILE IN THE OKQP
W1END	Rig was FTdx101 and Butternut vertical. Great activity again. Enjoyed the hunt.
W1QK	Thanks for the contacts. Thank you for sponsoring the QSO Party. 73 - Dan, W1QK

Wisconsin QSO Party Soapbox Comments

Callsign	Soapbox
W1WBB	<p>It is a real challenge to be very competitive in this event within the out-of-state category from as far away as I am (850 mi from my W1-land QTH to Milwaukee) because in-state WI participants are hunting WI counties too, so lots of in-state and nearby-WI activity occurs on 40m and 80m which don't even open to W1 until much later in the day. In fact, checking the detailed WIQP historical records shows the highest score ever from a New England station was just under 25,000 pts back in 2014 (W1END in NH), which is *less than half the points of the out-of-state record*. And with record levels of out-of-state participants these days it is more challenging to break pile-ups when chasing the mobiles, especially running low power as I do. goal was just to extend the W1-land high score to as much over 25k points as I could muster. Mission accomplished! Well done to Mark K1RO in NH who also exceeded 25k total points from W1-land as well this year. Perhaps the organizers will consider creating an out-of-state *regional* record high score listing in the future. on 20m and 15m for hours with big signals, perhaps thanks to being near the peak of this solar cycle and having a quiet K-Index of 2 or less for 24 hours prior to and during the contest. But there were very few stations from WI who actually moved to 15m, which remains typical of most operators in the QPs (even with the many "band is open" notifications from the spotting network). But 20m did net me just under 100 QSOs alone! Even with low power I could be fairly competitive in the mobile pile-ups there...but NOT on 40m or 80m vs the closer-in W0/W9/W8 stations. after 3 hours into this 7-hour event and 80m was only usable for me after the final hour had begun. Both bands were relatively quiet on this end but the 80m WI sigs were not yet very strong. and SSB to keep me busy for the 6.2 hrs I was active...TU mobiles/rovers!! State in the 2024 WIQP! And big kudos to the sponsoring organization West Allis R.A.C. for a very well organized event and excellent website with great historical records, info and resources...well done. 73!</p>
W9AFB	Lots of fun and many lessons learned for next year. Beautiful day to be out mobile in SE Wisconsin. 40m was packed!
W9BLI	RAN FROM 22:40 TILL END ONLY 40M & 80M
W9CYA	It was tough at the start but the bands improved as the night went on and 80 meters was great
W9KHH	Not much time available but fun. Hope to be here next year. RAY W9KHH
W9KVR	Decided to try a QRP attempt with Wisconsin being relatively close and it did not disappoint! Surprised at how well 5-watts and wire did. Great signals on 40 meters and able to work everyone I heard. Thanks to all the WI ops and getting the counties on air!
W9MW	Only had about an hour to contest, but fun nonetheless!
W9NUE	12 or more contacts from: Calumet, Waupaca, Waushara, Green Lake, Fond du Lac, Sheboygan, Total Mobile Bonus = 3000
W9PIO	12 or more contacts from: Shawano, Outagamie, Winnebago, Fond du Lac, Marquette, Green Lake, Waushara, Portage, Total Mobile Bonus = 4000
W9TCV	Joined in a bit late, but was happy to work some Wisconsin stations. 73 to all who participated, W9TCV
W9USO	Nice conditions on 40 M
W9YZR	Lots of fun, as last year! Tnx to WARAC for sponsoring!!!
WA0IQM	TWO LETTERS - STATE THREE LETTERS - WI COUNTY CAN - CANADA ONTARIO PROVINCE ONLY
WA1SAY	Thanks for QSO party.
WA9BFH	Good Propagation conditions help me to beat my last year's score. Had a Great time. Looking forward to next year.
WB0SMZ	Enjoyable to use SD
WB9MSM	Wonderful QSO Party! Lots of Fun and Just the Right Amount of Time! Thanks WARAC!
WB9OWN	12 or more contacts from: Shawano, Total Mobile Bonus = 500 Next time don't forget to check the 7300 RTC !!!

Wisconsin QSO Party Soapbox Comments

Callsign	Soapbox
WB9TFF	We went up early to our friends cabin to raise up a 43' guyed water pipe mast with a 15" yard arm at the top. Our ZS6BKW homemade multi-band wire was fed with ladder line and a 1:1 current balun. The antenna performed very well with very low swr. Our radio was a FT-991 100 watts operating cw and ssb. We were running mostly and very little S & P. Our money bands were 40m and 20m. We operated Donna's call WB9TFF and Gil WB9TFH as multi-operator. We had our best score ever!! We were better prepared. Thanks for the qso's, 92 mults and W9FK bonus station. 73 Donna WB9TFF and Gil WB9TFH.
WI4WD	12 or more contacts from: Calumet, Outagamie, Total Mobile Bonus = 1000
WN1C	A great improvement over two years ago on Blue Mound as AB1YW in 2022, very early in my contesting experience. Sitting on the same end of the mound in the sun and the wind, then the dark and cool is no relaxing shack, but great to get the word (and spots) out on SOTA and POTA. Of course the weather was acceptable for 7 hours of contesting outdoors! Getting setup done on time is a consistent miss, though. Claimed score is totally off since RUMlogNG doesn't seem to be counting other states as mults. Hand-updated to be closer to accurate. 38 counties, 34 states, 3 provinces -> 73 mult QRP score multiplier of x2 Out-of-home-county operation in IOW; home DAN (Madison, WI)
WO9B	The 2024 WIQP featured the best conditions we've ever experienced as a mobile op -- sunny skies, warm spring temperatures, and not a hint of rain or snow. Band conditions were excellent. The pipeline to EU held steady on 20 and 40 Meters, resulting in a new personal best for DX QSOs. 40 proved to be the money band, which we expected, but it didn't really catch fire until after 3:00 or so. We were hoping to work more in-state stations early, but the activity on 20 was too much to pass up. We managed a number of QSOs with some of the other mobiles, which was a very nice surprise, and it was an added bonus to pick up a couple of those sweet multipliers. It is so much fun to work with the WO9B team (KA9FZR, AA9RK, WO9B) to make the WIQP a reality. We really look forward to this event every year. Thanks to Chuck, Tom and Howard on the WIQP Committee. They put on a wonderful event year after year!!
WQ6X	This was a 1st-time WQ6X QRP OKQP operation from Anza, Ca. This year brought us a rather robust WIQP QSO Party - at least in the beginning. Near the end, the number of WI stations dropped dramatically. They disappeared on 20, leaving me to listen on 40-meters for a last-minute opening yielding 8 WI QSO in the last 15 minutes of the GiG. Unfortunately, on this end, no WI stations could be heard on 10 meters the band just didn't make it and 15-m was not much better. Nevertheless, a number of new counties were worked. Look for a write-up on this and other contests at: http://WQ6X.Blogspot.com
WZ9O	First time throwing CW into the mix. I still need to have a good discernable ear to hear the reports rather well. I hope to incorporate more CW in future runs of the WIQP.
